

## XXIII Annual Golf Challenge at Spring Brook Country Club

Dear Friends,

On Monday, September 13, 2010 we will host our **23rd Annual Golf Challenge** at Spring Brook Country Club. All proceeds from this event will go to the Morris Center YMCA's Scholarship Fund for Children. It is our mission to provide the myriad of programs we offer to every child regardless of their family's ability to pay.

For the past twenty-three years, and with the generosity of the hundreds of players who have participated in this fun day of golf, we have been able to offer more than 2,300 children a childhood experience they would never realize. Whether it was a week of day camp, a full year of after school care, a session of swim lessons, or a month in one of our award winning childcare centers, these children would not have been helped without the success of this event.

We hope you will join us, and the long list of community leaders, business executives, entrepreneurs, and members who have participated over the last twenty-one years. When you consider the joy we can bring to a child's life by simply enjoying a day of golf, we are sure you will consider supporting this very worthwhile event.

We thank you, in advance, for your interest and support of our YMCA and your commitment to the children.

Sincerely,  
Chris McAndrew
