

YMCA ADVENTURE GUIDES

As your child graduates from the Blake Center and begins a new chapter in their life, we at the YMCA would like to wish them the best in the future. We hope they enjoyed their experience with the YMCA and we hope they will continue to be a part of our great tradition. To allow your child to continue to grow with us we are excited to announce the emergence of the YMCA Adventure Guides. This program is a great way for your child to stay connected with the friends they have met here at the Y.

During elementary school children begin to learn more rapidly and become more aware of their surrounding world. This often leads to more questions and parents become guides to these answers. We have designed the YMCA Adventure Guides to assist you and your child in strengthening the ability to communicate with one another in a fun and healthy environment.

Members of the Adventure Guides will meet once a month at a fellow participants house, this meeting is referred to as a Circle, with small groups of parent-child pairs. Once every two months the several circles will come together to partake in a larger activity such as campouts, parties, seasonal events, etc. The outings are referred to as Expeditions and will be provided by the YMCA.

Please fill out and drop off at the front desk if interested.
